Fowles, Caroline

To Linda
a very sweet
and dear friend
I see in our junior
year we became closer
than we were in our freshman
and sophomore years. I hope
we will continue our friendship
in the coming years. I know that all the talks
we have had in Div. about
Paris, Mark, Desi etc. I'm going to
miss them; but we can look forward
to it once more in our senior year, cause
we had lots of laughs together. Stay Sweet.

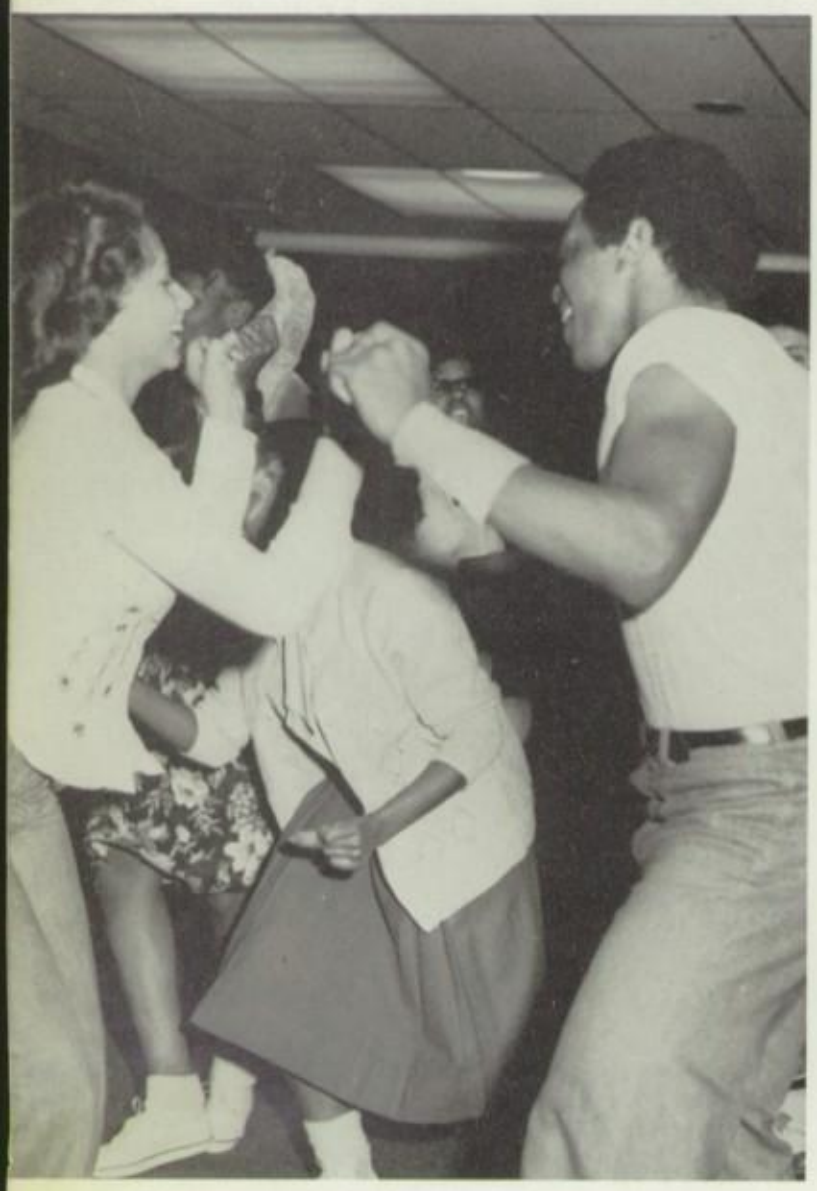
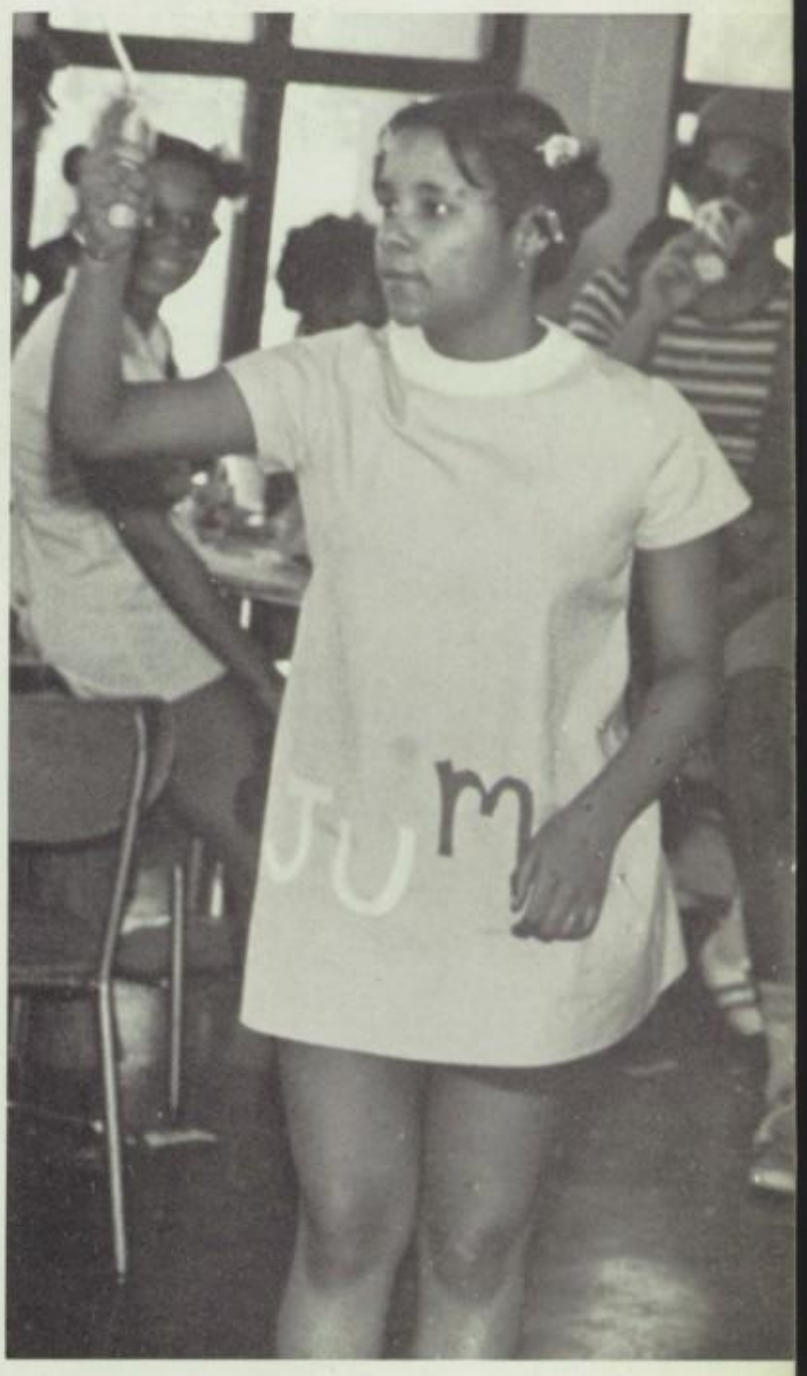
"O. K. Everybody . . .

. . . Stick 'Em Up!"

Hey-Y-Y-Y, We're Cool!





Conclusion

Another school year's finished—at last!
It's nice to remember the things that have passed.

Such as . . .

The Bicentennial (finally) came to an end,
And with Daley's death Chicago lost a friend.
We made it through a winter that was colder than cold,
And with Carter's election it was "out with the old!"
Kenwood's teams, for the most part, were great—
(And one of these years we'll make it to state.)
The Kaleidoscope gave us the monthly news,
With the chance for us all to express our views.
We sold candy and apples and pizzas this year,
Danced to the band and watched cheerleaders cheer.

And most importantly . . .

A heartfelt good bye to our senior class,
The memories of their "Magic" will certainly last.

And in later years . . .

It is the hopeful wish of this yearbook staff,
That you'll look back through these pages with a sigh—and laugh!

To Linda,

This goes out to you especially. You are the only one who I delt with and hurt so dearly but whats happen in the past try to forget it because if you shall do this for me than I You and I will always be apart one another and this relationship shall always be beautiful.
